Applicant(s) consents to a credit check based upon the information provided on this application for the purpose of extending credit. Applicants further understand that the terms of this agreement will begin on the date of acceptance by Red Star Oil Co. Inc. and will continue until either party terminates the agreement in writing. Our automatic delivery customers agree that use of this service does not nullify their responsibility to see that they have an adequate supply of fuel on hand. We expect payment on the 10th of each month and will apply a finance charge of 1 1/2% per month (18% annually) on a monthly basis to any balance remaining unpaid on the 15th of each month. Our customers agree to pay all reasonable collection and attorney's fees if legal proceedings become necessary to enforce collection.
